

Initiatives on 75th Independence Day

Why in News

Commemorating the **75th Independence Day**, Prime Minister announced a slew of measures/initiatives and called for **making the next 25 years a glorious one for India**.

• A day before Independence day, the Prime minister also declared 14th August would now be observed as **Partition Horrors Remembrance Day.**

Key Points

- Gati Shakti Master Plan:
 - It is a Rs.100 lakh-crore project for developing 'holistic infrastructure'.
 - It will help raise the global profile of local manufacturers and help them compete with their counterparts worldwide. It also raises possibilities of new future economic zones.
 - It will be a source of employment opportunities for the youth in future.
- National Hydrogen Mission:
 - The <u>National Hydrogen Mission</u> and the <u>green hydrogen</u> sector will give India a quantum jump in meeting its climate targets.
 - **Green hydrogen** is produced by splitting water into hydrogen and oxygen using an electrolyzer powered by electricity from renewable energy sources such as wind and solar.
 - It will also **help India to become energy independent.** Today India spends over Rs 12 lakh crore on importing energy.
- Rice Fortification Plan:
 - The rice distributed under various government schemes will be <u>fortified</u> by 2024. It includes the <u>Public Distribution System (PDS)</u>, <u>Mid-Day Meals</u> in schools and <u>Integrated Child Development Scheme (ICDS)</u>.
 - It is a significant initiative as the country has high levels of malnutrition among women and children.
 - According to the Ministry of Consumer Affairs, Food and Public Distribution, every second woman in the country is <u>anaemic</u> and every third child is stunted.
 - India ranks 94 out of 107 countries and is in the 'serious hunger' category on the **Global Hunger Index (GHI)**.
 - Six states, including Maharashtra and Gujarat, have started distributing fortified rice as part of the pilot scheme.
 - Food fortification or enrichment is the process of adding micronutrients to food.
- Vande Bharat Trains:
 - 75 <u>Vande Bharat' trains</u> will connect different parts of the country in 75 weeks to mark the ongoing 'Azadi ka Amrit Mahotsav'.

 Vande Bharat, the indigenous semi-high speed train set, is being given a boost, with the Railways gearing to roll out at least 10 of them, linking around 40 cities, by August 2022 to commemorate 75 years of Independence.

Sainik Schools for Girls:

- All Sainik Schools in the country will now be open for girls also. At present, 33 **Sainik** schools are operating in the country.
- Sainik schools are run by the Sainik Schools Society which is under the administrative control of the Ministry of Defence.
- The aim of establishing Sainik schools was to prepare the students from an early age for their entry into the Indian armed forces.
- E-commerce platform for Self-Help Groups:
 - This digital platform will connect the products of women <u>Self-Help Groups</u> with people in far flung areas of the country as well as abroad and it will have far-reaching consequences.
 - The government will create an e-commerce platform to ensure a huge market in the country and abroad for their products.
 - More than eight crore women in the villages are associated with Self-Help Groups and they design top-end products.
- Partition Horrors Remembrance Day:
 - 14th August would now be observed as Partition Horrors Remembrance Day.
 - This day will remind Indians of the need to remove the poison of social divisions, disharmony and further strengthen the spirit of oneness, social harmony and human empowerment.
