Recently, the Union Ministry of Women and Child Development provided valuable insights into the **Track Child Portal** and **GHAR - GO Home and Re-Unite portal** during a written reply in the Lok Sabha.

- The **Track Child Portal** enables tracking of missing and found children across states and UTs, supported by various stakeholders.
 - The "**Khoya-Paya**" feature allows citizens to report missing or sighted children, fostering community involvement.
- It is also integrated with the [Crime and Criminal Tracking & Network Systems](#) of the **Ministry of Home Affairs**, which allows interoperability in terms of matching of F.I.Rs of missing children
- Further, a portal namely **GHAR - GO Home and Re-Unite (Portal for Restoration and Repatriation of Child)** has been developed and launched by [National Commission for Protection of Child Rights](#) to digitally monitor and track the restoration and repatriation of children as per the protocols under the [Juvenile Justice \(Care and Protection of Children\) Act, 2015](#).
