

## **NIT Raipur FIE Wins National Incubator Award**

### Why in News?

The NIT Raipur Foundation for Innovation and Entrepreneurship (FIE) will be awarded the **National Incubator Award** at the **4th India Entrepreneurship Summit** on **13th September** 2025 at NDMC Convention Centre, New Delhi.

## **Key Points**

- Establishment: NIT Raipur-FIE was founded in March 2021 under the Department of Science and Technology's (DST) National Initiative for Developing and Harnessing Innovations (NIDHI)
  program as a non-profit technology business incubator.
- Reason for Award: Recognition for mentoring 35+ startups in Chhattisgarh and providing strong technical support.
  - Startups incubated span governance, medical devices, analytics, deep-tech, clean tech, and ICT.
- Organizer: The summit is jointly organized by the Entrepreneur Association of India (EAI) and Enterprising Zone (EZ), a government-funded, internationally recognized incubation center.
- Significance:
  - Strengthens India's Startup Ecosystem by mentoring youth in Chhattisgarh.
  - · Helps position Chhattisgarh as an innovation hub.
  - Contributes to entrepreneurship promotion and technology-led economic growth.

# National Initiative for Developing and Harnessing Innovations (NIDHI)

#### About:

- The NIDHI is a groundbreaking initiative designed to drive innovation, support startups, and create a thriving **entrepreneurial ecosystem** in India.
- NIDHI comprises various components that provide a comprehensive framework for promoting and accelerating innovation-driven enterprises across the nation.
- Components:
  - NIDHI-PRAYAS (Promoting and Accelerating Young and Aspiring Innovators and Startups):
    - Focuses on converting innovative ideas into tangible prototypes.
    - Offers mentoring and financial support at the Proof-of-Concept level.
  - NIDHI Entrepreneurs-In-Residence (EIR) Program:
    - Provides fellowships to students pursuing entrepreneurship.
    - Aims to nurture and encourage young entrepreneurs.
- Key Players and Collaborators:
  - Council of Scientific and Industrial Research (CSIR):
    - NIDHI collaborates closely with <u>CSIR</u> to shape and develop cutting-edge incubation facilities.
      - Plays an active role in conceptualizing and developing advanced incubation facilities.

- Supports translating technology and products, benefiting society, industry, and the country.
- Ministry of Electronics & Information Technology (MeitY):
  - NIDHI's partnership with MeitY in the <u>Technology Incubation and Development</u> of <u>Entrepreneurs (TIDE 2.0) Scheme</u> empowers tech-driven startups.
  - Together, they provide financial and technical support to foster technology-based entrepreneurship.

## **Department of Science and Technology**

- The foundation of DST was laid on 3rd May 1971 along the model of the National Science Foundation (NSF), USA.
- It provides funding and also makes **policies and coordinates scientific work** with other countries.
- It empowers scientists and scientific institutions and also works with a highly distributed system permeating stakeholders ranging from school, college, PhD, Postdoc students, young scientists, startups, and NGOs working in Science & Technology.
