

Cabinet Approves Kantatoli Flyover

Why in News

- On September 28, 2021, the state cabinet gave its approval for the construction of a 2,240 meters long **Kantatoli flyover connecting Yogoda Satsanga to Shantinagar at Kokar** at a cost of Rs 224.94 crore.

Key Points

- Cabinet Secretary Vandana Dudel informed that the **objective of the project is to improve road infrastructure** in the Kantatoli area of Ranchi.
- **Kantatoli is a strategic point** connecting the various localities within the city of Ranchi. It is an important transit point for people traveling by road to Jamshedpur, Hazaribagh, Patna and other important cities of the region.
- Along with this, the cabinet also approved to start **a pilot project to provide fortified rice under the Rice Fortification Scheme**.
- Apart from this, the cabinet **also approved a water supply project** for **Jhumri Tilaiya** in Koderma district **under the Urban Water Supply Improvement Project** to ease the process of water supply within the city.
- Similarly, the state cabinet gave its nod for **setting up a transport town of over Rs 113 crore** in Kanke, with the objective of providing space for parking and unloading heavy trucks entering from other districts and states during the no-entry period. This will be the **first transport city of Jharkhand**.
