

INS Aravali Commissioned in Gurugram

[Source:PIB](#)

INS Aravali, Indian Navy's latest Naval Base, was commissioned at **Gurugram** to strengthen Maritime Domain Awareness (MDA) capability.

INS Aravali

- INS Aravali, deriving its name from the unwavering [Aravali range](#).
- It is **designed to strengthen the Navy's information and communication infrastructure.** It would not only be a hub of technology, but also of a collaborative vision of **MAHASAGAR**.
- The base is guided by its **motto: 'समुद्र सुरक्षा के माध्यम से सहयोग' (Maritime Security through Collaboration).**
- It will help various information and communication centers of the Indian Navy, and strengthen **India's Command, Control, Communications, and Maritime Domain Awareness (MDA) framework.**
- Reinforce India's position as the Preferred Security Partner in the [Indian Ocean Region](#).
