

Misaal Initiative | Madhya Pradesh | 15 Sep 2025

Why in News?

The **Madhya Pradesh** Higher Education Department has launched the **Misaal Project**, an ambitious initiative aimed at fostering **leadership qualities among tribal youth**.

- **Governor** Mangubhai Patel inaugurated the programme virtually, stressing its role in **shaping role models** and instilling values of social responsibility.

Key Points

- **Features:**
 - **Youth Empowerment:** Focus on nurturing confidence, vision, and problem-solving skills among tribal students.
 - **Capacity-Building Activities:** Introduction of workshops, training camps, and community engagement programmes.
 - **Community-Centric Approach:** Encourages tribal youth to identify local challenges and innovate practical solutions.
 - **Ethical and Value-Based Leadership:** Promotes social responsibility, service, and ethical leadership.
- **Collaboration with Gujarat:**
 - Gujarat has achieved positive outcomes through youth-focused programmes, which Madhya Pradesh now seeks to replicate via shared learning and exchange.
 - This **inter-state collaboration** enriches policy implementation by combining best practices with diverse regional experiences.

Significance
