

10th World Ayurveda Congress and Arogya Expo

Why in News?

Recently, the 10th World Ayurveda Congress (WAC 2024) and <u>Arogya Expo</u> were inaugurated in **Dehradun**. It's a pivotal juncture where various streams of **ideologies**, **cultures**, **and innovations converge**.

Key Points

- Launch of "Desh Ka Prakriti Parikshan Abhiyan":
 - On the occasion of the 9th Ayurveda Day (29 October 2024), the Union Ayush Minister launched the nationwide campaign "Desh Ka Prakriti Parikshan Abhiyan".
 - The objective is to assess the Prakriti of over 1 crore individuals using Ayurveda principles.
 - Citizens are encouraged to actively participate and contribute to this monumental initiative.
- Ayush Grid and Global Investment:
 - The <u>Ayush Grid</u> is a project by the <u>Ministry of Ayush</u> to digitize the <u>Ayush sector</u> and promote traditional healthcare systems.
 - Its benefits include revolutionizing healthcare with innovations, enhancing effectiveness, safety, and affordability.
 - Over 1.3 billion dollars of investment is in the pipeline from global partners to support Ayurveda-related initiatives.

WAC 2024:

- Organised by the World Ayurveda Foundation (WAF), an initiative of Vijnana Bharati.
- More than 5500 Indian delegates and over 350 delegates from 54 countries registered for the event.
- The event features over **150 scientific sessions and 13 associate events,** including plenary discussions.
- The theme is "Digital Health: An Ayurveda Perspective" which focuses on leveraging modern technologies to advance Ayurveda.
- Deliberations on:
 - Enhancing healthcare delivery through digital tools.
 - Redefining research methodologies.
 - Integrating Ayurveda into the global health landscape.
- Role of the Ministry of Ayush:
 - The Ministry of Ayush is instrumental in organising the World Ayurveda Congress, showcasing India's commitment to promoting Ayurveda globally.
 - Contributions:
 - Advancing Ayurveda knowledge, research, and practices through international collaborations.
 - Engaging experts, practitioners, and policymakers to discuss Ayurveda's global relevance and future growth.
- Significance of WAC 2024:
 - Celebrates Ayurveda's rich heritage and envisions its future in the global healthcare system.
 - **Bridges traditional wisdom with modern technology**, ensuring Ayurveda thrives as a sustainable and holistic healthcare system.

 The WAC 2024 is a milestone event in positioning Ayurveda as a transformative force in global healthcare.

The World Ayurveda Foundation (WAF)

- It is an organization that **promotes Ayurveda globally and supports research, health programs**, and other activities related to Ayurveda.
- It is an initiative of **Vijnana Bharati** that was **founded in 2011**. The WAF's objectives include:
 - Supporting research
 - Supporting health programs through camps, clinics, and sanatoriums
 - Organizing seminars, exhibitions, and study groups
 - Providing leadership in policy and planning for Ayurveda
- The WAF organizes the World Ayurveda Congress (WAC), which is an event that features scientific sessions, health ministers' conclaves, and other activities.
 - The WAC aims to discuss how Ayurveda can address various health challenges.

AYUSH Systems of Medicine

ord Brahmo is believed to

be the f

proponent of

Ayurvedo

AYUSH encompasses Ayurveda, Yoga & Naturopathy, Unani, Siddha, Sowa Rigpa, and Homeopathy, with Ayurveda having a documented history of 5000+ years.

Ayurveda

Samhita Period (1000 BC): Emerged as mature medical system

Charaka Samhita: Oldest and most authoritative text

Sushruta Samhita: Gives fundamental principles and therapeutic methods in eight specialties

- Main Schools:
 - Punarvasu Atreya School of physicians
 - Divodasa Dhanvantari School of surgeons

Branches of Ayurveda:-

- Kayachikitsa (internal medicine)
- Shalya Tantra (surgery)
- Shalakya Tantra (disease of supraclavicular origin)
- Kaumarabhritya (paediatrics)

Agada Tantra

(toxicology)

- Bhootavidya (psychiatry)
- Rasayana Tantra (rejuvenation and geriatrics)
- Vajikarana (eugenics & science of aphrodisiac)

Unani

Pioneered in Greece, developed by Arabs as 7 principles (Umoor-e-Tabbiya)

- Based on the framework of teachings of Buqrat (Hippocrates) and Jalinoos (Galen)
 - Hippocratic theory of four humors viz. blood, phlegm, yellow bile, and black bile
- Recognised by WHO and granted official status by India as an alternative health system

Siddha

Dates back to 10000 - 4000 BC; Siddhar Agasthiyar - Father of Siddha Me

- Preventive, promotive, curative, rejuvenative, and rehabilitative health care
- 4 Components: Latro-chemistry, Medical practice, Yogic practice & Wisdom
- Diagnosis based on 3 humors (Mukkuttram) and 8 vital tests (Ennvagai Thervu)

Sowa Rigpa

Origin: Lord Buddha in India before 2500 years

- Traditional medicine in Himalayan regions of Ladakh, Himachal Pradesh, Arunachal Pradesh, etc.
- Recognised in India by Indian Medicine Central Council Act, 1970 (As amended in 2010)

Homeopathy

German physician Dr. Christian F. S. Hahnemann codified its fundamental principles

- Medicines prepared mainly from natural substances (plant products, minerals, animal
- Brought in India by European missionaries - 1810; official recognition - 1948
- 3 Key Principles:
 - A Similia Similibus Curentur (let likes be cured by likes)
 - Single Medicine
 - Minimum Dose

Yoga & Naturopathy

 Naturopathy: Healing with help. of 5 natural elements - Earth, Water, Air, Fire and Ether

- Based on theories of self-healing capacity of body and principles of healthy living
- Encourages a person-centred approach rather than disease-centred
