

Swachh Survekshan 2023

For Prelims: 2nd Phase of SBM-U

For Mains: Swachh Bharat Mission, Government Policies and Interventions

Why in News?

The Ministry of Housing and Urban Affairs (MoHUA) has launched the **eighth edition of [Swachh Survekshan \(SS\)](#) - SS 2023** under [Swachh Bharat Mission Urban 2.0](#).

- SS 2023 is curated towards achieving circularity in waste management. The survey would give priority to the principle of 3Rs – Reduce, Recycle and Reuse.

What is Swachh Survekshan 2023?

- Swachh Survekshan was **introduced by MoHUA in 2016 as a competitive framework to encourage cities to improve the status of urban sanitation** while encouraging large scale citizen participation.
 - Over the years, Swachh Survekshan has **emerged as the largest Urban sanitation survey in the world**.
- In SS 2023, **additional weightage has been given** to source segregation of waste, enhancement of waste processing capacity of cities to match the waste generation and reduction of waste going to the dumpsites.
 - Indicators have been introduced with **additional weightage on emphasizing the need for phased reduction of plastic**, plastic waste processing, **encourage waste to wonder parks** and zero waste events.
- **Ranking of Wards** within the cities is also being promoted through SS 2023.
- The cities would also be assessed on dedicated indicators on the issues of **‘Open Urination’ (Yellow Spots) and ‘Open Spitting’ (Red Spots)**, being faced by the cities.
- MoHUA will be promoting **cleaning of back lanes** of the residential and commercial areas.

What is Swachh Bharat Mission-Urban 2.0?

- **About:**
 - SBM-U 2.0 was announced in [Budget 2021-22](#), as the continuation of SBM-U first phase.
 - The government is trying to tap safe containment, transportation, disposal of fecal sludge, and septage from toilets.
 - SBM-U first phase was launched on 2nd October 2014 aiming at making urban India [Open Defecation Free \(ODF\)](#) and achieving 100% scientific management of municipal solid waste. It lasted till October 2019.
 - It will be **implemented over five years from 2021 to 2026** with an outlay of Rs.1.41 lakh crore.
 - The Mission is being implemented under the overarching principles of “waste to wealth”, and [“Circular Economy”](#).

▪ **Aim:**

- It focuses on source segregation of garbage, reduction in [single-use plastic](#) and air pollution, by effectively managing waste from construction and demolition activities and [bioremediation of all legacy dump sites](#).
- Under this mission, all wastewater will be treated properly before it is discharged into water bodies, and the government is trying to make maximum reuse a priority.

▪ **Mission outcomes:**

- All statutory towns will become **ODF+ certified (focuses on toilets with water, maintenance and hygiene)**.
- All statutory towns with less than 1 lakh population will become ODF++ certified (focuses on toilets with sludge and septage management).
- 50% of all statutory towns with less than 1 lakh population will become Water+ certified (aims to sustain toilets by treating and reuse of water).
- All statutory towns will be at least [3-star Garbage Free rated](#) as per MoHUA's Star Rating Protocol for Garbage Free cities.
- Bioremediation of all legacy dumpsites.
