Recently, the **Border Roads Organisation (BRO)** celebrated its **65th Raising Day** on 7th May 2024.

- Established in 1960 with only two projects, **Project Tusker (now Vartak) in the East and Project Beacon in North India**, the BRO has grown to become a vibrant organisation with 18 projects operating in 11 States and three Union Territories.
 - It is now recognised as the leading infrastructure construction agency in high-altitude and difficult snow-bound areas.
- In 2023-24, the BRO completed 125 infrastructure projects, including the construction of the [Sela Tunnel in Arunachal Pradesh on Balipara-Chardwar-Tawang Road](#).
 - The BRO will soon start construction on the **4.10-km long Shinkun La Tunnel, which will become the world's highest tunnel at 15,800 ft** once completed, bypassing **China's Mila Tunnel at 15,590 ft**.
- The BRO is an Indian executive force under the **Ministry of Defence**, to secure India's borders and develop infrastructure in remote areas of the north and north-eastern states.
- It operates under the **Border Roads Development Board (BRDB)** and is responsible for road networks in border areas and neighbouring countries.
 - The motto of BRO is **"Shramena Sarvam Sadhyam"**, which translates to "Everything is achievable through hard work."
