

SHe-Box Portal

Source: PIB

Recently, the **SHe-Box portal** has been launched by the **Ministry of Women and Child Development** to enhance the implementation of **the Sexual Harassment of Women at Workplace (Prevention, Prohibition, and Redressal) Act, 2013**.

- The portal is designed to mask the details of the **complainant, ensuring confidentiality, with only the Chairperson of the Internal Committee (IC) or **Local Committee (LC)**** having access to this information.
- Complaints can be filed by the aggrieved woman or a **representative on her behalf**. The process requires basic details such as **work status, name, phone number, and email**.
 - If the workplace's IC or LC is registered on the portal, complaints are automatically forwarded for action.
- The portal includes a **monitoring dashboard for nodal officers** at various administrative levels to track the number of complaints filed, resolved, and pending.
 - Time prescribed under the Act for inquiry is **90 days**.
