

Pavoor-Uliya Island

 drishtiias.com/printpdf/pavoor-uliya-island

Pavoor-Uliya is an island in the **middle of the river Nethravati**, about 10 km off Mangaluru, Karnataka.

- The Nethravati River has its origin in Chikkamagaluru district of Karnataka.
- It merges with the Kumaradhara River at Uppinangadi before flowing to the Arabian Sea.
- This river is the main source of water to Bantwal and Mangalore.
